

Thurs. Morning 18th
8:30 A.M.

Dear Vicki and Jim

I am over at Diane's under the hair dryer so will write to you. It is a rainy day but not cold. I am going to take care of Stevie this morning as Jeanne has a doctor's appointment. Her baby is due in four weeks.

We spent the week-end up at the cabin. Ruthie and Jack were up also. Our taxes on the cabin have gone up about 200 percent. Last year the taxes went up a little and it was still a very small tax fee, only 38 dollars but this time the taxes are \$160.00.

This Saturday night we are going to a dance with all our old neighbors. Every one will meet at our house. Bob Jarmuth, your Boeing boss, Jim, will be with us also. I wonder if he still has his job. So many of our friends who had big jobs at Boeing have been laid off. Jack Goldingay just heard that he is through the end of the month.

Mary and Mike came home

Friday Night as Sondi and Dick had a
wine tasting party. They had a good
time. Dick was dressed like a
Bavarian and played the accordion.
Mary and Mike came up to the
cabin Saturday and had dinner
with us and then had to go
back to Olympia.

12:30

Jeanie just left with Stevie. He
likes to play with the little cars and
the blocks. I have taught him to
say thank you in Swedish. Jeanie
said he says tack så mycket all
the time at home.

When it stops raining I am going
to the post office and grocery store.

Greenwater was so high and
rushing this week end and very
close to going over the bank on
the other side.

More later.

Love,
Mom.
